Work Experience

Office PA - "An Innocent Girl" Film (Netflix)

Feb-June 2026

- Assisted the production team and maintained office needs for producers, directors, editors, and VFX team.
- Learned from the post team that worked in house on the dailies (Krisztian Majdik, Ernest Boyd) and assisted them with their needs.
- Cultivated a deeper understanding of film production through interactions with crew members across multiple departments; strengthening industry knowledge and appreciation for cross-functional teamwork.

Assistant Editor - "Princess Penelope's Purse" Web Series

April 2026 - Present

- Collaborated with head editor and animation team on Premiere Pro for Angela Santomero's kid's show "Princess Penelope's Purse of Preposterous Things" on Youtube.
- Worked on assembly edits for episodes and edited clips for marketing.

ADD'L Set PA - "FBI" (CBS) Season 8

Feb - May 2026

- Performed lockups both at the stage and on location. Informed crew of any bogey vehicles or people coming through the shot on location.
- Supported cast and crew with any urgent tasks that needed to be completed.

Office PA - "FBI" (CBS) Season 6 & 7

Wolf Entertainment, Feb 2024 - May 2025

- Responsible for uploading break and wrap footage, assisting the production team and maintaining office needs for producers and directors, and AD team.
- Coordinated with multiple vendors to manage and execute daily deliveries, supporting overall office operations.
- Gained hands-on experience and knowledge of the producing aspect of the television industry.

Intern, Media & Marketing - Lightpath Fiber

June - Aug 2022

- Created animated marketing videos for the company using After Effects.
- Worked with the marketing team at Lightpath and collaborated with Bloom Media for larger projects.
- Gained important communication skills when working with a creative partner.
